

Trust in Music

- Text: Moritz Schreder, Melodie: Marcel Cansino -

Vers:

What about the life
that you were dreaming of
what about the world
the pictures in your head
Is it still alive
the fancy world or is it dead
What about the doubt
and the thoughts you let arise

Bridge:

Don't believe that anybody helps
In this world of shame and countless lies

Refrain:

Trust in music for your life and shout
one two three four ROCK

Vers:

Just let me stray
look the other way
Are you ready to go
or I gotta do this alone
Things that we can see
are sometimes far apart
Show me how it works
the possibilities to save the world
