

# Under the Rainbow

- Text: Philipp Jaehn, Melodie: Moritz Schreder -

Refrain:

We will walk under the rainbow.  
Is war and pain to end?  
How much we have to spend?  
There must be the way somehow  
We will walk under the rainbow.  
Is war and pain to end?  
How much we have to spend?  
There must be the way I think so

Vers 1:

All the drums of life are shaking my heart,  
another day will come  
carrying me upper high  
(I see) a titbit there just to grap lying on the streets,  
where I go between the lights of the world.

Vers 2:

When I am down I am told that  
The lord can't lead us out of the misery  
(you) have to act and to react now  
I feel good, don't want to end this

Bridge:

There are angels in your soul  
There are never ending colours  
There are you as a little peace  
I am sure there is the way
